HENNIG TENDERS TO HOST SUPERKOLONG YELLOW COLLECTION ROUGH DIAMOND TENDER

Antwerp, Belgium, May 3, 2016– Hennig Tenders is pleased to announce that it will be tendering an exquisite selection of special rough single stones recovered by Batla Minerals SA from their Superkolong diamond tailings plant in Kimberley, South Africa.

The tender will include an exceptional 112 carat natural fancy rough stone of yellow colour as well as a collection of other natural fancy rough stones of yellow colour ranging in size from three to fifty carats.

The diamonds will be available for viewing on the following dates at the following locations:

USA – New York: 10-12 May 2016

Israel – Ramat-Gan: 15-19 May 2016

Belgium – Antwerp: 23-26 May 2016

For more information and to arrange a viewing request please email tenders@ihennig-tenders.com.

Batla Minerals SA's CEO, Jean Retief commented "Once again, we are very pleased by the exquisite rough diamonds recovered from our Superkolong operations, and we look forward to the years of recovery still ahead. Originally mined by DeBeers, this area is internationally known for producing exceptional yellow diamonds."

Commenting on the upcoming tender, Hennig Tenders Chief Executive Director, David Kuchler said that "we are delighted to continue to work closely together with Batla Minerals SA in the sales and marketing of the production from the Superkolong diamond tailings plant. The special stones on offer at the upcoming tender are truly magnificent and very much unique in terms of their gemological characteristics."
